A Strong Commitment To All Aspects of Scouting

Our Troop works with all parts of the Scouting program. Naturally the outdoors is a big part of the program but we do not stop there.

Advancement, Personal Growth and Responsibility, Community Service, and Citizenship are emphasized in our programs and activities.

To Join you must be a boy who is 11 years old, or one who has completed the fifth grade or earned the Arrow of Light Award and is at least 10 years old, but not yet 18 years old.

**Troop Meetings are Mondays
6:30 pm—8:00 pm**

A Troop Run by Boys For Boys

Being a Boy Scout is special. Scouts are one of the few organizations for youth where the adults are not “in charge”.

Troop 46 has made this the cornerstone of the scout experience. Our boys manage and control all aspects of troop operations from running meetings to meal planning. Our adult staff provides guidance to the Scout leadership so that they can accomplish the goals they have set for themselves and the Troop.

If you are looking for an environment that challenges boys to learn what it takes to be self sufficient, have personal confidence and develop the skills needed for success then we have a program for you.

Why Choose Scouting?

If you're looking for a fun activity for your son that will change his life and make him a better adult, where your involvement is vital, then Scouting is for you.

A well-rounded boy should be involved with his family, church, school, Scouting, and other activities. Our program makes time for these important commitments, while offering unique opportunities for personal growth not available anywhere else.

Scouting is a **GAME** with a **PURPOSE**—to develop future leaders of: Good Character; Good Citizenship; and all-around fitness.

Leadership Development

Scouting is a laboratory for developing leadership. Our boys learn this from the beginning of their Troop experience. Lord Baden-Powell, the founder of the scouting movement, said that “Scouting is a Game with a Purpose”. Leadership is a process of getting things done through people. Our Scouts learn this through direct interactions with Adults, Scout Leaders and most importantly other Scouts. We help our Scouts learn these skills and then apply them to everyday life so that they can use them for a lifetime of success.

The Most Important part of Scouting is Fun!

Our Scouts cannot wait to “get out there”. Be it orienteering, camping, snow activities, we always make sure the **primary ingredient** is fun!
